Pediatric surgery in tropics, is an open access PER reviewed Quarterly journal. It is published by the ASSOCIATION OF PEDIATRIC SURGERY IN TROPICS, a group of like-minded academic pediatric surgeons from India.

It is a platinum open access journal i.e. it does not charge article publication fees from authors. The journal is intended to provide the platform for pediatric surgeons from LMIC countries to work under constraints, without support or funding. The editorial and review team donate their time but some hard expenses like works space fees, Posting fees, DOI Fees have to be paid. We request readers well wishers to make a small donation ( as little as 1\$ or 1£ ) using the QR code Above.

Thanks In Advance.
